

PowerPoint Template

User Guide

Layout Menu

Please note that the Layout menu can be accessed by selecting the **Layouts button** on the **Home ribbon**.

Corporate Layouts

The UNE Partnerships' PowerPoint template includes a series of layouts intended for general corporate use, including webinars.

Title Slide – Plain Text

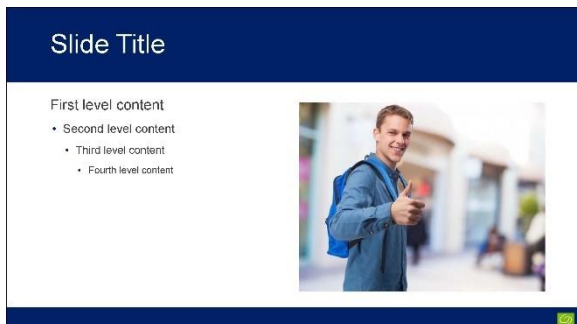

This is a standard, plain text title slide with a subheading.

Title Slide – Hero Image

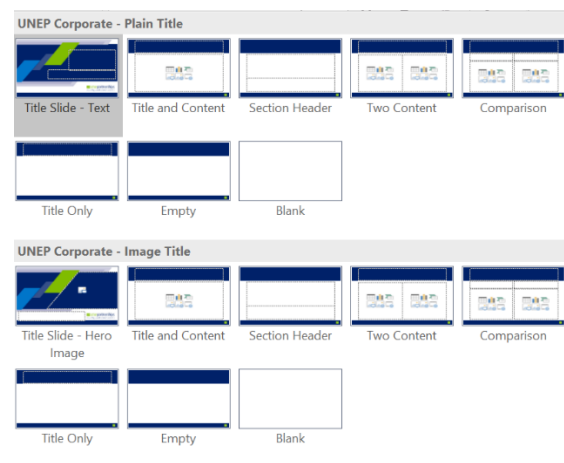

Click the picture icon to insert a title image. The image will automatically be cropped and resized to fit.

Corporate – Content

There are two sets of corporate slide templates – one leading with the 'Plain Text' title slide, and the other leading with the 'Hero Image' title slide.

Learning Design Layouts

The UNE Partnerships' PowerPoint template also includes a series of layouts that are intended **for use by the Learning Design team only.**

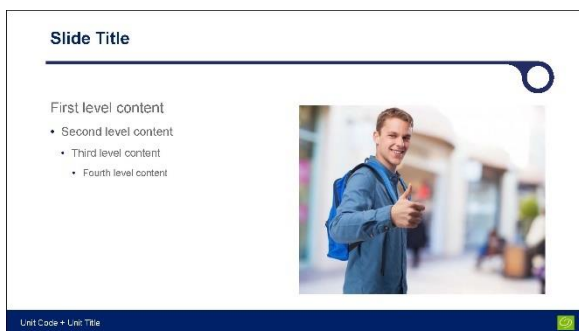

These templates have been designed to more closely complement the current style of our student resources, including Study Guides and Course Overviews.

Title Slide – Learning Design

Click the picture icon to insert a title image. The image will automatically be cropped and resized to fit.

Learning Design – Content

There are a set of content templates available within the 'corporate' style.
