“The future Project Manager will be increasingly strategic and connected. This requires individuals to develop their skills in areas outside traditional project management practices, such as change management. Additionally they will need to be a very effective communicator who understands the dynamic link between the business strategy and the projects they are responsible for delivering.”

Peter Roper

Student Engagement

Project Management

Peter has been supporting students through their studies with UNE Partnerships for more than 5 years.

Peter believes that the purpose of study isn't to change who you are but to equip students with the knowledge and skills to reach their full potential.

Course information

This qualification is suited to experience program managers, managing or directing a suite of projects (a program), programs of projects or large, complex projects to achieve organisational objectives.

In this course you will learn to implement the advanced skills required to direct, plan and lead a range of program functions, with accountability for personal and team outcomes, using cognitive and communication skills to identify, analyse and synthesis information from a variety of sources and transfer their knowledge to others, and creative or conceptual skills to express ideas and perspectives or respond to complex problems.

Admission Guidelines

You will need to:

- Hold BSB50920 Diploma of Project Management (or superseded equivalent versions); OR
- Two (2) years equivalent full-time relevant workplace experience in a senior project or program management role in an enterprise.

And we recommend that you have:

- Strong written and verbal communication skills.
- Appropriate technology to study online and the motivation to learn independently.

Duration

- 11 hours per week over a study period up to 18 months

Suitable for

- Individual Students
- Corporate Groups

Delivery mode

- **Online mentored assessment approach**
Guided by a highly respected program management professional and industry educator, students are challenged to question existing methods and approaches and encouraged to explore options to maximise program success while identifying and collecting knowledge and providing evidence of application.
- **Customised in-house training** for groups, corporations and organisations.

BSB61218

Advanced Diploma of Program Management

NATIONALLY RECOGNISED
TRAINING

Introduction

- Getting Started
- Course Overview

Learning Resources

- Readings/Activities
- It is recommended that students purchase the text book 'Program Management' by Michel Thiry (2015).

Support Centre

- 24/7 Support.

Minimum requirements to get started

If you're reading this, you're likely already committed to improving your skills, knowledge and capabilities. Every day presents you and your team with an exciting opportunity to learn and develop the abilities needed to elevate yourself and your business to new heights.

Policies and Procedures

We are committed to the provision of exceptional quality education and a great learning experience.

We encourage you to familiarise yourself with our policies and procedures, which can be found on our website www.unep.edu.au/students/policies

On this page you will also find our frequently asked questions section that may help to answer some of your questions.

Minimum Requirements for Students

Our courses are self-directed online programs which rely heavily on text-based resources to support study.

All students will need:

- moderate numeracy and English literacy skills
- moderate computer skills
- to be working in a job role which provides sufficient opportunity to develop competency and to complete required assessment tasks.

Computer Requirements

All of our courses are delivered through our modern online learning environment.

To successfully complete an online course, you will need ready access to an internet enabled computer with the following configurations.

- Operating system (Mac OS 10.11 or later, Windows 7, 8.1 or 10)
- Internet (speed adequate to watch videos on YouTube)
- Microsoft office 2016 or higher OR other equivalent office suite
- Adobe Acrobat Reader
- Modern internet browser
- Headset with microphone, speakers and camera (for webinars, recording audio assessments and/or Skype discussions with your assessor).
