

Diploma of Project Management

Skills for Australia has recently published an updated version of the Business Services (BSB) Training Package, which includes a newer version of the Diploma of Project Management.

Clause 1.26 of the Standards for Registered Training Organisations (RTOs) states:

- a) where a training product on its scope of registration is superseded, all learners' training and assessment is completed and the relevant AQF certification documentation is issued or learners are transferred into its replacement...

The mapping information below and over page shows the relationship between your current course of study and the new qualification.

Teach out date

The teach-out period for this qualification has been [extended](#) to 18 months and will expire on **17 April 2022**. This is the date by which we must issue your qualification. You will need to have all assessment submitted at least one month prior to allow sufficient time for assessment, re-submission as/if necessary and processing to issue your qualification by this date.

Transition arrangements

- If your expected completion date is **before** the end of the teach-out period, you should continue with your current enrolment and complete by the expected date.
 - If, for any reason, you are unable to complete the course requirements by this date you will be issued with a statement of attainment for units achieved at that point.
 - You may choose to enrol in the new qualification version. Fees will apply and will be calculated to reflect individual circumstances.
 - Depending on the units you've completed, you will receive credit for these units in your new enrolment (see mapping advice over page).
- If your expected completion date is **after** the expiry date for the qualification UNEP will automatically transfer your enrolment to the new version at no charge.
 - The timing of your transfer will depend on individual circumstances.
 - Depending on the units you have completed at this point, you will receive credit for these units in your new enrolment (see mapping advice over page).
 - You **will not** need to complete additional units or assessment to meet the requirements of the new qualification.

Mapping detail

The new qualification contains 8 core units and 4 elective units. Elective unit must be selected as follows:

- 2 units from the **listed** elective units
- for the remaining 2 elective units:
 - up to 2 units may be selected from the **listed** elective units
 - if not listed, up to 2 units may be selected from a Diploma or above, from this or any other currently endorsed Training Package qualification or accredited course.

The matrix below shows the relationship between units in your current course of study (left hand column) and units in the new qualification (centre column). Students who transition to the new qualification can claim credit for equivalent units completed within the last five years that fall within the new packaging rules. Please call a member of the program team for further advice.
