# Recognition of Prior Learning (RPL)

RPL is an assessment process by which your existing skills, knowledge and experience can be recognised towards the achievement of a qualification. It involves collecting evidence and making judgements on whether competence has been achieved.

RPL is available to all learners. Applicants who can demonstrate prior knowledge and skills in some or all aspects of a qualification can apply for RPL, once enrolled. To be awarded RPL you must provide evidence of when and how the competency was acquired. You must be enrolled in a course of study to undertake the RPL pathway. See the Recognition of Prior Learning (RPL) guide on our website at <https://www.unep.edu.au/get-started/policies/> for further information.

## Credit Transfer (CT)

UNE Partnerships recognises the AQF qualifications and Statements of Attainment issued by other Registered Training Organisations.

1. You are entitled to apply for Credit Transfer in a course or qualification in which you are currently enrolled.
2. To take advantage of Credit Transfer you will need to advise us in writing and supply certified copies of Statement(s) of Attainment or Record(s) of Results confirming the competencies you have achieved.
3. You can apply for Credit Transfer at any time but we encourage you to apply before commencing a training program. This will reduce unnecessary training and ensure a reduction in your student fee if Credit Transfer is awarded.

4. Credit Transfer can only be awarded for whole units of competency that meet the packaging rules of the Qualification you are enrolled in. Where only a partial credit is possible you will be advised to seek RPL.
5. You cannot enrol in a training program for full Credit Transfer.

## Fees for RPL or CT

Under the Smart and Skilled Program your Student Fees will be adjusted if you are granted RPL or Credit Transfer for any units in the Training Program. If you apply for, and are granted, RPL or CT before enrolment this will be inputted to the Fee Calculator and the fee you are charged will be reduced. If RPL or CT is awarded after the start of the Training Program you will receive a refund to any student fees paid. Refunds will be calculated and paid at the end of the study period once the full extent of RPL and/or CT is known. For further details refer to the Smart and Skilled Fee and Refund Information.
