WELCOME

Congratulations on successfully completing your studies with UNE Partnerships!

On behalf of our dedicated educators and facilitators and everyone who works behind the scenes, I would like to commend the achievements of the graduating class of 2020.

You join a proud alumni which spans fields as diverse as Community Services, Facilities Management, Primary Healthcare, Project Management and the Public Sector, to name but a few, and we trust that for each of you this educational opportunity will prove fruitful for your careers.

This year UNE Partnerships celebrates 35 years of experience in vocational education and training. In this time we have built strong relationships with peak bodies and professional

associations servicing the sectors we work in. We recognise the importance of industry input to the programs we offer and intend to continue our focus on building industry capability and professionalism in the years to come.

I would like to acknowledge the significant challenges that you would have faced, reaching for the finish line in a world profoundly impacted by COVID-19. It is reasonable to assume this journey may have been somewhat easier for many of your predecessors.

I would also like to recognise the vital contribution that families, business owners, employers and your extended personal and professional networks have made to your success. We understand that study is rarely undertaken alone, and the support that you have received along the way makes this a truly shared success.

Thank you for choosing UNE Partnerships to be part of your educational journey, and we look forward for the opportunity to collaborate with you again in the future.

Once again, I would like to offer my sincere congratulations on your success.
