Fees

Course fees are exempt from Goods and Services Tax (GST) or Value Added Tax (VAT).

Your upfront payment will include a non-refundable deposit of AUD1,500 for Australian domiciled candidates or USD1,500 for overseas candidates (e.g. domiciled in countries other than Australia).

The non-refundable deposit applies to all circumstances where you withdraw from the Certified CEO Program and you are eligible for a refund of any course fees.

You will only be entitled to a partial refund of your course fees if you successfully withdraw your enrolment from the Certified CEO Program in line with the conditions outlined below.

Where you have entered into a payment plan, you acknowledge that you have personal liability for the payment of course fees under any arrangement when not paid fully upfront and that, subject to the conditions of Withdrawal below, UNE Partnerships may issue a demand to you for the recovery of such fees. In the case where candidates are in arrears of payments or are not making payments on a timely basis UNE Partnerships may block access to learning materials until such time as the account is made current.

Certificate of completion from UNE Partnerships and any certification or professional recognition from The CEO Institute may be withheld from any candidate completing the course materials and assessment and remaining in arrears in payment of course fees.

Withdrawal

You are entitled to withdraw from the Certified CEO Program if you:

- are advised that you will not qualify for certification by The CEO Institute and you notify UNE Partnerships of your intention to withdraw within 7 days of receiving this advice;
- notify UNE Partnerships of your intention to withdraw from the Certified CEO Program within 7 days of enrolment; or
- notify UNE Partnerships of your intention to withdraw from the Certified CEO Program within 14 days of enrolment and have not accessed learning materials.

Period of Candidature

If you are unable to successfully complete the Certified CEO Program within 24 months of your initial date of commencement, you may be granted an extension on the basis of being able to demonstrate that you have undertaken sufficient components of study.

The extension fee shall be 1/24th of the Course Fee per month of extension.

If you do not complete the Certified CEO Program within 24 months of your initial date of commencement (or, in the case of an extension to the 24 months period being granted, within such extended period), your enrolment in the course will be cancelled.
