

## Simple Payment Plans

UNE Partnerships is working with Ezypay to offer an alternative payment plan to help spread the cost of your investment. Here is how it works:

1. Talk to our staff to identify the right course for your needs. We'll work out the total investment for that course and provide you with the relevant enrolment form, and Ezypay documentation.
2. On enrolment, you will be required to pay a deposit of at least **\$950**. This can be paid by cheque, credit card or bank transfer. The remaining fees will be paid by way of **10 equal monthly payments** via Ezypay, typically at the first of each month.
3. Remember to check through the UNE Partnerships enrolment form for additional terms and conditions relating to your chosen qualification.
4. Please note this is only available for Australian bank accounts.

## What you will be required to do

Complete our course enrolment form with a deposit of \$950.

Complete the Ezypay documentation, including 'proof of identity' (either a copy of your driver's licence, passport or other photo identification) from the person whose account will be debited with the fees. Remember the fees will be debited on the first of each month over 10 months.

## Employer Invoice

If you are sponsored by your employer, the fee will be invoiced on receipt of written confirmation, such as a purchase order or letter. If your employer is paying via Ezypay, they will be asked to complete the Ezypay documentation plus provide proof of identity.
