Overview

Welcome

Welcome to the *BSB51918 Diploma of Leadership and Management*. This is a nationally recognised and accredited program presented by UNE Partnerships Pty Ltd, the Education and Training Company of the University of New England.

We are delighted that you have joined the leadership and management program. This qualification provides the skills and knowledge for individuals who are engaged to manage the work of others or to add value to or review management practices; and will typically have considerable experience in their respective industries or vocational areas and combine an informed perspective of specific work requirements with their managerial approaches. The qualification requires a sound theoretical knowledge base and managerial competencies to plan, carry out and evaluate own work or the work of a team.

BSB51918 Diploma of Leadership and Management

Aim of the program

This qualification aims to equip participants with the skills and knowledge to plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse, and synthesise information from a variety of sources.

This qualification reflects the role of individuals who apply knowledge, practical skills and experience in leadership and management across a range of enterprise and industry contexts.

Individuals at this level display initiative and judgement in planning, organising, implementing, and monitoring their own workload and the workload of others. They use communication skills to support individuals and teams to meet organisational or enterprise requirements.

Learning outcomes

On completion of the program you should be able to:

- demonstrate senior leadership behaviour, and personal and professional competence
- manage risks in a range of contexts across the organisation or for a specific business unit or area
- manage the performance of staff who report to you directly
- develop and monitor implementation of the operational plan to provide efficient and effective workplace practices within the organisation's productivity and profitability plans
- manage a straightforward project or a section of a larger project
- lead and manage continuous improvement systems and processes
- facilitate all aspects of teamwork within the organisation including workplace relationships
- develop, monitor and review financial management approaches and processes
- manage systems to ensure products and services are delivered to agreed organisational standards
- develop own emotional intelligence to increase awareness and management of self and relationships with and between others.
