BSB61015 Advanced Diploma of Leadership and Management

Aim of the program

This qualification aims to equip participants with the skills and knowledge to manage the strategic direction of an organisation through strong leadership, financial management and business management skills.

Learning outcomes

On completion of the program you should be able to:

- demonstrate senior leadership behaviour, and personal and professional competence
- establish the strategic direction of the organization, sustain competitive advantage and enhance competitiveness
- sustain and develop an environment in which sustainability, continuous improvement, innovation and learning are promoted and rewarded
- determine strategic change requirements and opportunities, and develop, implement and evaluate change management strategies
- develop strategies to ensure services are delivered and maintained to agreed standards
- plan and establish knowledge management and compliance management systems
- manage risks and implement treatment of risks in the organisation
- undertake budgeting, financial forecasting and reporting requirements

Structure of the program

There are twelve (12) units of competency in this qualification and all must be successfully completed in order to achieve the *BSB61015 Advanced Diploma of Leadership and Management*. If you enrol in a Skill Set, or selected units from the qualification, successful completion of your study would lead to the issuing of a Statement of Attainment for those units completed.

The program employs a mixed delivery mode, combining online learning and assessment resources with face-to-face training sessions interspersed throughout the study period. These sessions are mandatory and integral to completing units successfully. An outline of the structure for delivery and assessment is provided below. **Please note that the workshops dates are proposed dates only and have not been confirmed.**
